COMPACT AND SLEEK DESIGN

Bean-to-cup Tabletop Coffee Machine | 1 Grinder | Steam Wand

Freshly ground coffee.

Steam wand for manual milk steaming and texturing.

COMPACT AND SLEEK DESIGN

Equipped with a 7 inch touch screen and powered by a intuitive Android OS system and menu, extraordinary compact size that takes up minimal space in the office.

PROFESSIONAL GRINDER

Built with 64mm special steel flat burrs, 9 gears of ground size, makes uniform coffee particles for perfect extraction.

STEAM WAND

Customize your milk coffee by steaming milk and making latte art by yourself, at home or in the office.

DETACHABLE BREWING UNIT

The brewer can be detached in a few seconds for manual cleaning, which helps clear coffee stains and residues.

DETACHABLE SPOUT

The Spout height is 80-160 mm adjustable, and the spout can be taken out for washing.

AUTOMATIC RINSING

The machine has multiple options of cleaning, including full-machine cleaning, partly cleaning and timed cleaning, etc.

2 L water tank, barrelled water and mains water (optional).
