MORE CHOICE. SMOOTH SERVICE.

Bring café favourites to hotels, workplaces and shared spaces. An inviting coffee experience, from espresso to cappuccino.

Coffee and fresh milk foam.

Touchscreen and dedicated hot water outlet.

PROFESSIONAL GRINDER

Equipped with 64mm special steel flat burrs, 11 gears of ground size, makes uniform coffee particles for perfect extraction.

QUALITY MILK FORM

Built with a smart fresh milk frother, able to produce smooth and luscious fresh milk foam, enhancing the overall drinking experience.

SLEEK AND ELEGANT DESIGN

Sleek design with a 10 inch screen and intuitive Android OS interface, stylish in appearance and easy to use.

DUAL HEATING + PUMPS

A dual thermoblock and piston-pump system supports coffee and milk preparation.

DEDICATED HOT WATER SPOUT

Enjoy convenient, one-touch hot water dispensing from a dedicated outlet.

SMART BEAN DETECTION

The bean hopper has a smart bean sensor and will send notification before beans run out.

AUTOMATIC RINSING

The auto cleaning system of the machine includes full-machine cleaning, partly cleaning, milk pipe deep cleaning(use cleaner) and timed cleaning, etc.

DETACHABLE BREWING UNIT

The brewer can be detached in a few seconds for manual cleaning, which helps clear coffee stains and residues.
