MORE CHOICE. SMOOTH SERVICE.

Bring café favourites to hotels, workplaces and shared spaces. An inviting coffee experience, from espresso to cappuccino.

Coffee and fresh milk foam.

Professional steam wand in action.

COMMERCIAL GRADE GRINDER

Equipped with PGH64 grinder made of impact-resistant special steel, featuring 64mm flat burrs for even grinding and offering multiple grinding levels.

GOLDEN EXTRACTION QUALITY

Dual-boiler system with a reheating boiler compensates for heat loss in the pipeline, ensuring optimal temperature stability for perfect coffee extraction.

HOT / COLD FRESH MILK & FOAM

Equipped with a professional milk pump and frother to create dense, silky milk foam for both hot and cold beverages.

AUTOMATIC MILK SYSTEM CLEANING

Programmable timed cleaning for the milk system, upgraded with automatic tube closure to prevent contamination.

PROFESSIONAL STEAM WAND

Powerful and stable steam output, ideal for professional and high-demand scenarios.

SAAS SMART MANAGEMENT (OPTIONAL)

Cloud-based remote monitoring and control minimize downtime while optimizing revenue streams through data driven insights.

TOUCHSCREEN + AUTOMATIC OUTLET

Choose from an inviting touch menu, with an outlet that adjusts for different cups.

INSTANT POWDER OPTIONS

Expand the menu beyond coffee classics with instant powder canisters.

Optional connectivity and cashless payments. Ask about your HC-J37 setup.
